From 《The Fourth Archive》,

I have connected 《the thing called consciousness》 to that horizon...

【She】 had a lover. 《A paradise》 of mutual affection.

Without a hint of doubt.

However, **she was the only one who thought so.**

Realising that unbearable reality, she rushed to meet with her lover.

Scarlet dress. Scarlet heels Scarlet lip rouge.

And **an uncontrollable《murderous intent》** hidden

within **a scarlet flower bouquet**....

《The factor》 which would make ← or → break the conclusion of that tragedy.

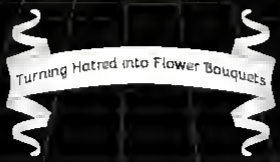
I tried【denying】

【her】ad921d60486366238809553a3db49a4a...

Now then. Is the cat inside the box alive?

Or is it dead?

Well then, let's try peeking inside the cage—



*These are all read as "ai"
I TURNED ALL OF THAT LIP SERVICE AND UGLY PRAYERS INTO A CURSE, AND LOADED IT INTO THE MAGAZINE.
KILL IN ORDER TO DENY MYSELF. TO RETURN THIS GRIEVING SOUL TO THE WORLD.
LOVE, ENCOUNTERS, CONFRONTATIONS, TOGETHER, LOVE, LOVE.*
